

JACOBSON HOUSE NATIVE ART CENTER

2025 IMPACT SPONSORSHIP LETTER

Dear Esteemed Supporter,

The Jacobson House saw a vibrant resurgence in 2024, and we're thrilled to keep this momentum going! Our historic space has once again been filled with life, creativity, and unforgettable moments that celebrate Native American art and culture.

We invite you to be a crucial part of this ongoing journey by supporting the Jacobson House Native Art Center. Your sponsorship will help us continue the legacy of the Kiowa Six and Oscar Jacobson, while also shining a spotlight on the extraordinary Native artists living in Indian Country today.

As we look ahead into 2025, we are excited to extend this sponsorship opportunity to you. By partnering with us, you'll be helping to advance our mission of "bringing people together by promoting and celebrating Native American art and culture." Our vision, beautifully articulated by legal scholar Rennard Strickland in 1991, resonates even more today: "In an age when events are driving us apart and splintering people along ethnic, racial, and economic lines, the Jacobson House stands as a cross-cultural bridge bringing people together to celebrate their unique strengths and shared values."

Join us in ushering in a new era for the Oscar Jacobson Foundation. Together, we can continue to serve as a cultural hub, a welcoming home away from home, and a space that honors our ancestors while empowering the future of our communities.

Thank you for considering this impactful opportunity to support the arts and make a lasting difference.

Sincerely,

The Oscar Jacobson Foundation Board of Trustees
